

A search engine by and for the federal government

Powering search results on more than 2,000 websites. Free, effective, and simple — Search.gov has all you need to get search right on your website!

Get started today

Why use Search.gov?

Search.gov is a search solution available at no cost for federal government agency websites. Our federal clients agree that Search.gov’s robust wealth of knowledge and personalized, free service are indispensable.

“It would be impossible to match the value of GSA's Search service by procuring, building, and configuring a custom solution ourselves. With the combination of a very feature-rich search service and knowledgeable staff, this is the most appealing search tool for government websites.” — **Department of Homeland Security**
